

Graduating DU Puksta Scholars in 2017

Larcy Brooks

High School: Centennial High School, Pueblo

Majors: English; Spanish

Future Plans: After a year of travel and work, I plan to pursue a master's degree in Counseling Psychology, with an emphasis in either Expressive Therapies or Somatic Therapy. I intend to use this degree in order to work directly with people in the LGBT community in order to help individuals heal from traumas, build new and fulfilling lives, and feel seen and heard.

Laleobe Olaka

High School: Denver School of Science and Technology Stapleton

Major: Biology; minors in Chemistry and Psychology

Future Plans: I have three plans currently for my future. Plan A is the Peace Corps, plan B is clinic work at Children's Hospital Colorado, and plan C is to continue working at Fisher Early Learning Center.
